

**Institute for International and
Comparative Law in Africa**

LLM in Public International Law Specializations 2015

The Institute for International and Comparative Law in Africa in collaboration with the Department of Public Law of the Faculty of Law, University of Pretoria is calling for applications to the Faculty's LLM in Public International Law.

In addition to providing advanced knowledge of public international law practice and theory, this program offers two unique, optional specializations:

- the specialization in international air, space and telecommunications law
- the specialization in international humanitarian and human rights law in military operations

Application deadline: 30 August (foreign citizens); 30 November (South African citizens)
